Hey Chuck – the CSTAG meeting will be Wednesday, 2/28 and Thursday, 3/1.

We would like to have you attend the afternoon of the 2/28 session on Wednesday as that is when EPA will be providing CSTAG with an overview of the site background, CSM, risks, etc. That will be 1 pm to 5pm.

Jen,

I have some tentative dates on my calendar for next week for the CSTAG, but I think I only saw one date, Thursday the 29<sup>th</sup>, that has been confirmed. Could you confirm the dates and times for me?

Thanks,
